

# MINDFUL GIVING. NOW.

**mobileAxept** has brought mobile giving solutions to churches and ministries since 2006. mobileAxept is a reliable and responsive ministry partner committed to earning and keeping your trust.

*"Our Chief of Membership Development Pastor Wallace Prude, who has an IT background, led our due-diligence efforts. I trust his professional perspective unequivocally...So when Pastor Prude recommended mobileAxept, I knew it would be a good fit because of the company's ability to deliver."*

~ Dr. E. Dewey Smith, Jr., Senior Pastor, The House of Hope Atlanta, Decatur, GA

There will be **200 million smartphone users in the U.S. by 2017**. Every day, people use mobile devices for countless reasons. mobileAxept offers additional avenues to engage members with your church and ministry.

*"Our text-giving has surpassed our envelope-giving and overall giving is at an all-time high."*

~Pastor Jason, Associate Pastor, Nashville, TN

## MOBILEAXEPT SERVICES

### GiveNow- Text

Text giving enables your members to give, and is as simple as sending a text to friend.

### GiveNow- Online

Online giving complements the mobile giving solution, providing another simple and secure way to give.

### ConnectNow- Text Visitor Card

Virtual visitor cards make it easy for guests to take that first step so you can follow-up and engage with them.

### ReachNow- Text Alerts

Text message blasts help you provide timely information to your members, including announcements, devotionals or giving appeals.

### Our Technology is quick and easy for the donor.

First donation takes less time than writing a check, and the follow-up donations take less than 10 seconds.

### Our Technology is seamless for the system administrator.

Receive relevant donors' contact information, direct deposits, and integration with major church management systems.

### Our Technology is secure.

Donors' payment information is entered on a secure, encrypted link and our processing has the highest rating for PCI Security Compliance.
