

Technology solutions to advance your programs, services, and community impact.

“During this pandemic, our giving is actually up 112%. The online and text tools have really made a difference!”

—**ERIC T.**, IT Director, Austin, TX

mobileAxept's suite of tools work seamlessly together to increase engagement and giving.

GiveNow - Text Donations

This true text giving experience securely completes the transaction in seconds, encouraging repeat donations. Donors can access help, update profile, and view donation history with a text.

GiveNow - Online Donations

GiveNow includes a custom hosted donation page featuring a robust one-time or recurring donation option. Also, log in with a one-time PIN - there are no usernames or passwords to remember.

ConnectNow - Text Forms

Easily collect legible names, numbers, and interests from anywhere. Phone numbers are instantly verified for each interested contact. Use for volunteer sign-ups, contests, polling, surveys, and more!

ReachNow - Text Communications

Text messaging platform used to communicate to supporters. Promote virtual events, volunteer reminders, program updates, spotlight social media posts and more!

“Our staff has worked with many companies, but we experienced a higher level of care and responsiveness from mobileAxept than we have with others. As we rolled out our program, mobileAxept gave us templates and tools that made the marketing team's job very easy.”

—**LAUREN E.**, Director of Media, Chicago, IL
